OFFICE OF THE DEWAN OF MYSORE

REVENUE AND GENERAL, DEPARTMENTS.

Short Office Note.

No. and date of letter, from whom, catch words to denote nature of Subject should be stated, in red ink.

One form may be used for more than one letter of the same file as long as there is space. The Office Note should be in black ink. Write only on side of this form.

***Subject**

Docket No 10579 7" May 02 from the Supt. Foot: Press ~~re~~ about the printing of the Standing orders of the Victoria Hospital which have been sent to the Press by the Surgeon in charge of that Hospital.

Note

The Superintendent Foot: Press points out that all government enactments and Standing orders are "approved and promulgated under authority of Foot:" and suggests that such as those referred to in the above docket orders, may also be passed by government, before they are sent to the Press to be printed.

Deputy Secretary's remarks.

The Standing orders of the Victoria Hosp. referred to in this Communication have probably issued by Colonel Smyth as the Off in charge of the Hospital and on his own au It is not clear how government can interfe in the matter.

Similarly rules which Heads of Departm have the power to frame, cannot, it is be interfered with by Foot: (Put (1) La 2

But what is the order under which the Senior Surgeon wants his rules to be printed? Is there no F.O. that Foot: or is necessary for such printing? (Put (1).

V

The P.O mentioned by the General Records relates to the publishing of advertisements in the Gazette and does not apply to the present case.

Submitted for orders to Secty

DR 30/9

The Office has not been able to put up any useful papers relative to the question put by the Secretary. May the Senior Surgeon be asked as to what the "Standing Orders" in question are, and whether the Surgeon in charge (Colonel Smyth) has authority to prescribe them and to get them printed without the sanction of Govt, and to get them printed without the sanction of Govt.

At the same time, the Supdt Govt Press may be asked whether there are any orders prescribing what papers may be sent to the Govt Press by Heads of Departments of their own authority, and what not

1/10/02

Both the enquiries may be made

9/10

Draft early

9/10/02

Note Contd.

The enquiries ordered above were made the Superintendent of the Govt Press has not yet replied. The Senior Surgeon has forwarded

forwarded 2 printed Copies of the 3
"Standing Orders" of the Victoria
Hospital and requests formal
sanction to their introduction

It is also stated that the
rules and orders as contained in
the printed Copies are based upon
what are now in use in the
Madras General Hospital

Subd for orders

Send a reminder to the Supdt.

J.B.

Note Cavtd

A reminder was sent to the Supdt of
the Govemt Press. In reply, that Officer
states that no ~~standing~~ orders are
forthcoming in his Office, under which
Heads of Depts may, on their own author-
-ity, send certain papers to the Press
for being printed, and refers to Rules 24 & 48
of the Stationery Rules, as being the standing
orders on the subject, under the former
of which, the Heads of Depts are required
to send ~~all~~ to the Supdt of the Stationery Depot
all forms and registers as prescribed
by the Govemt, and under the latter,
No new form of any kind can be
printed without the previous sanction
of Govemt. ~~These rules~~ The Supdt states that these rules
are very vague, and requests a more
definite ruling on the subject, seince
in

in recent years, it has come under this observation that any Deptt can prescribe its own forms for its Convenience and get it printed at the Press, and stray requisitions for forms ~~tea~~ have become very frequent.

But, while Rule 48 referred to above directs that no new forms shd be introduced without the previous special sanction of the Government, it, at the same time, allows the Hds of Depts to prescribe the forms relating to their Depts, which they consider to be absolutely necessary, the Hds of Depts keeping the Govt informed of it by sending a list of the forms prescribed by them.

The two points on which orders are solicited are

1. Formal sanction applied for by the Senior Surgeon for the introduction into the Victoria Hospital at Bangalore of the Rules as contd in the printed book submitted herewith

2. The question raised in this Connection by the Supdt of the Govt Press, of revising the Rules 21 & 48 of the Stationery Rules.

5/12/02 As regards the 1st point, there seems to be no objection to the introduction into the Victoria Hospital

of the Rules which are ~~now~~ intended for the internal management of the Institution, of ~~[illegible]~~ the Senior Surgeon, as the Head of the Medical Department. Officers of the same, and issues them on his own authority subject to such modifications as the Government may, at any ~~such~~ time consider necessary. In this view it seems necessary that the heading Standing orders for the Victoria Hospital should be altered into "Departmental orders issued by the Senior Surgeon for the management of the Victoria Hospital"

The 2nd point which relates to annual indents and forms has no bearing on the subject. If the head of a Department has to issue a set of instructions for the guidance of his subordinates, he has only to obtain Govt sanction for them being printed at Govt cost at the Govt Press Lahore.

9/12/1902

Subject to Secty

Orders as regards the "Standing Orders for the Victoria Hospital" are solicited

As regards Mr. Hume Wrights request that separate orders should be passed regarding the powers of Heads of Departments to get forms printed at the Govt Press, I beg to invite attention to the fact that by the orders passed on Mr. Kiernander's Report a Committee has been constituted to consider such questions. No special orders seem therefore now necessary on that point.

2/4/03

The Committee does not seem to refer to this. Let me see

1/4

Govt order on Mr. Kiernander's report is submitted for favour of perusal.

7/4/A

15/4/03 Can you never learn thoroughness? Where is Chapt. XV referred to in the G.O. but upon Mr. Kiernan's original rept). 17/4/3

This file was sent to me

sent by the Current Records without the ~~file~~ report.

As it was represented that copies of Mr. Kierander's report could not be easily had, I requested the records to send me this file with another file in which a copy of the said report was kept in response to the Secy's query herein -

I am sorry for the omission and beg to be excused -

For a copy of the report please see the other file sent herewith -

28/4/03 The Committee's report may be awaited - [signature]

21/4/3

The Senior Surgeon has asked for the sanction of Govt. to bring into force the rules in the Victoria Hospital the rules framed by the Surgeon in charge as contained in the pamphlets submitted herewith. The Apte Secy has already recorded his opinion in this matter on page 5 of this note. Attention is however invited to page 21 of the Rules

AV 28/4/03 in which it is laid down that the Depts for out-patients will be

Kept open from 7.45 to 10 A.M.
that is only for 2 hours & a quarter.
This is hardly enough for a
City containing about 70,000 population.
People are already complaining
that they cannot get medicines
in the Hospital soon and that they
have to wait for hours together
before they could take the medicine.
It would perhaps be better if
3 hours at least from 7 to 10 A.M.
are allotted to out-patients

Filed for orders.

24/4/03

The rules refer purely to ~~food~~
internal government and con-
duct of the Institution. I think
the matter of authorising them
enforcement should be left
entirely to the Medical Officer
in charge and the Senior Sur-

from. In such matters, I think that Govt should not assume any responsibility.

Perhaps we may suggest that the time for our patents is insufficient, but even of that, I am somewhat diffident.

A draft is submitted for approval.

9/5/3

Subd to Secretary

The Standing Orders of the Victoria Hospital regd to which this communication have been probably issued by Colonel Smyth as the Officer in charge of the Hospital and on his own authority - It is not clear how Govt can interfere in the matter.

Similarly, Rules which Heads of Depts have the power to frame, cannot, if issued, be interfered with by Govt.

LL 2/6/02

But what is the order under which the Senior Surgeon wants his Rules to be printed? Is there no G.O. that Govt order is necessary for such printing?

3/6

of Government the undersigned suggests that it would be better if such orders as under reference may also be passed by Government before they are published, as this will obviate constant alteration and revision, and thereby save expense in printing and preparing when the Statutory Rules are passed by Government.

M. Thomson
Superintendent
Govt Lg in Singapore.

Received

General No. 2993
No.

Enclosure No.

Sir,

In reply to your letter No. 5844 - Mis 724, dated 16th October 1902, I have the honor to report that no orders are forthcoming in this office, prescribing what papers may be sent to Press by Heads of departments on their own authority. The Standing orders on the subject are, that all forms and registers used in the Mysore State as prescribed by Government, are sent to the Press by Heads of Department

department either direct or through the Stationery depôt as laid down in Section 24 of the Stationery Rules, and that no new form of any kind can be printed without the previous sanction of Govt: as required in Section 48 of the said Rules. This is very vague. I find that the practice in recent years has been that any Department can prescribe its own form for its convenience and get it printed at the Press. Thus strange requisitions for forms etc are very frequent. I request therefore that a definite ruling may be given on this point.

I have the honor to be,
Sir
Your most obedient servant,
